exceed the simplified acquisition threshold, were entered into vai FACNET; and.

(3) The head of the agency, with the concurrence of the Administrator of OFPP, has certified to the Congress that the agency has implemented full FACNET. For the Department of Defense, the certification shall be made by the Secretary of Defense for the Department as a whole.

(b) Eligible contracts do not include any class or classes of contracts that the Federal Acquisition Regulatory Council determines, after October 13, 1997, are not suitable for acquisition through FACNET.

4.505–3　Governmentwide certification.

The Federal Government is considered to have implemented Governmentwide FACNET if—

(a) During the preceding fiscal year, at least 75 percent of eligible contracts entered into by executive agencies, that exceeded the micro-purchase threshold but did not exceed the simplified acquisition threshold, were made via full FACNET; and

(b) the Administrator of OFPP has certified implementation of Governmentwide FACNET to the Congress.

4.505–4　Contract actions excluded.

For purposes of calculating the percentage of FACNET use referred to in 4.505–2 and 4.505–3, actions issued against established contracts, such as delivery orders, task orders, and in-scope modifications, shall not be included.

4.506　Exemptions.

The following are exempted from the use of FACNET as specified and shall not be considered when determining compliance with the requirements to implement FACNET:

(a) *Interim FACNET.* (1) Classes of procurements exempted by the head of the contracting activity after a written determination is made that FACNET processing of those procurements is not cost-effective or practicable; and specific purchases for which the contracting officer determines that it is not practicable or cost-effective to process via FACNET. Such determinations

shall be centrally maintained at the contracting office.

(2) Contracts that do not require notice under subpart 5.2.

(b) *Full FACNET.* Contracts awarded by a contracting office (or a portion of a contracting office), if the office is exempted from use of FACNET by the head of the agency, or the Secretary of Defense for the military departments and defense agencies. Any such exemption shall be based on a written determination that FACNET processing is not cost-effective or practicable for the contracting office, or portions thereof. Determinations shall be maintained in the office of the senior procurement executive, or the Under Secretary of Defense for Acquisition and Technology for the military departments and defense agencies.

Subpart 4.6—Contract Reporting

4.600　Scope of subpart.

This subpart prescribes uniform reporting requirements for the Federal Procurement Data System (FPDS).

4.601　Record requirements.

(a) Each executive agency shall establish and maintain for a period of 5 years a computer file, by fiscal year, containing unclassified records of all procurements exceeding $25,000.

(b) With respect to each procurement carried out using competitive procedures, agencies shall be able to access from the computer file, as a minimum, the following information:

(1) The date of contract award.

(2) Information identifying the source to whom the contract was awarded.

(3) The property or services obtained by the Government under the procurement.

(4) The total cost of the procurement.

(5) Those procurements which result in the submission of a single bid or proposal so that they can be separately categorized and designated non-competitive procurements using competitive procedures.

(c) In addition to paragraph (b) of this section with respect to each procurement carried out using procedures other than competitive procedures,
